NO. 13.—STATEMENT OF THE NUMBER OF PASSENGERS DEPARTED FROM SEAPORTS OF THE UNITED STATES FOR FOREIGN COUNTRIES, OTHER THAN BRITISH NORTH AMERICA, DURING THE YEAR ENDING JUNE 30, 1894.

[In the absence of law requiring masters of vessels departing from the United States for foreign countries to deliver to collectors of customs returns of the passengers embarking on such vessels, reliance is had upon the courtesy of the agents of steamship and packet lines for information on the outward passenger movement. The following statistics relate only to the departure from the seaports indicated in the table, and comprise only the data secured in the manner above indicated, but it is probable that the departures given embrace nearly the entire passenger movement from the United States to foreign countries from our seaports.]
